

# Consent and Release Form

The Meeting Historian print-back service | [meetinghistorian.com](http://meetinghistorian.com) | [stories@meetinghistorian.com](mailto:stories@meetinghistorian.com)

---

This form covers one submitted journal. Nothing is transcribed, printed, or published without this signed form, and you may withdraw at any time before printing, no reason needed. This service is not affiliated with, endorsed by, or approved by Alcoholics Anonymous World Services, Incorporated.

## 1. What you are agreeing to

I wrote the material in the submitted journal and I am 18 years of age or older. I grant a non-exclusive license to scan, transcribe, edit for anonymity, typeset, print, and (only if elected below) publish my story. I keep ownership of my story. Anyone else mentioned in my pages will be made anonymous regardless of my choices below.

## 2. How my story is signed, if printed (choose one)

- ☐ First name and last initial only (for example, Michael C.)
- ☐ No name. The story appears as Anonymous.

## 3. Where my story may appear (choose one)

- ☐ Keepsake edition only, printed for me and the people I choose.
- ☐ Keepsake edition, and it may also be included in a collective volume.

## 4. My original journal (choose one)

- ☐ Return it to me by tracked mail after scanning.
- ☐ Destroy it securely after scanning.

## 5. Approval, payment, and the backstop promise

I will receive a proof of the final text, the attribution, and the cover, and nothing is printed until I approve it in writing. Payment for the keepsake service is due at intake and is refunded in full if I withdraw before printing. If the operator of this service is ever unable to continue, every journal and scan in hand is returned to its contributor at the address on file; a named backup person holds written instructions to do so.
